

MELANGE

SOLA PALLET

The combination of colour and fragrance stimulates your senses for another beautiful day.

A whole new experience with Sola Pallet Melange, a magical mix of Flower, colour and fragrance. A visually inspiring Sola Flower, sitting on top of a classical antique vase, changing colour a bit by bit, until the whole flower changes its colour as if it had boomed. As the flower changes colour, more of the special coloured fragrance oil is soaked up, releasing the beautiful European fragrances to any open space.

A girl's dream was to be surrounded with Beautiful flowers, exotic perfumes and various colourful decorations around her room. The dream comes true today, with Sola Pallet Melange. Flower, Colour, Fragrance, all comes to one to be your room's most precious treasure.
